First Citizens National Bank to Open New Office in May

March 31, 2009 - The completion of First Citizens new Troy office building is right on track with an anticipated occupancy date of early May. The new facility is located on the same property as the existing office, at 2 West Main Street. The one-story, 4,600 square foot building will house the branch bank, a training facility and offices for business development staff.

"We believe upon completion, this facility will not only provide a more professional environment for our customers and our staff, but will clearly add to the beauty of downtown Troy" stated Mark Griffis, Regional Manager. "We are in the process of planning our grand opening and customer appreciation events that will be shared with our community shortly."

First Citizens National Bank is headquartered in Mansfield, Pennsylvania, and currently operates 17 offices in Tioga, Bradford and Potter Counties in PA, and Allegheny County, NY. For more information on First Citizens National Bank, visit www.firstcitizensbank.com.
