### **FIRST CITIZENS NATIONAL BANK RAISES \$3,000.00 FOR LOCAL STORM DAMAGE**

In late May, tornados and severe storms ravaged our region and caused extensive property damage. In response, First Citizens National Bank began a fund raising project with the commitment to match contributions up to \$5,000. The project raised \$1365.92, and First Citizens increased their commitment to match funds for a total of \$3,000. The American Red Cross chapters in Potter, Tioga and Bradford Counties will each receive \$1,000 to aid local disaster relief victims.

“I’d like to thank and congratulate all who made this fundraiser a success,” stated Randall E. Black, CEO and President. “It’s heartwarming to reflect on the positive response to the damage caused by these recent storms. We are fortunate to live in communities that continue to display social responsibility and good citizenship.”
