First Citizens Announces 2019 Scholarship Recipients

MANSFIELD, PA (July 2019) Congratulations to Wyatt Kosa (Ulysses) and Roxanne Kingsley (Granville Summit), this year's recipients of the 2019 First Citizens Community Bank Agricultural Scholarships. Kosa and Kingsley were awarded scholarships for their academic success, community involvement and agricultural focus.

Kosa is the current President of his local FFA chapter and plans to attend the University of Northwestern Ohio studying Agricultural Equipment Technologies and Diesel Technologies. Kingsley lives on her family dairy farm, and is active in 4-H, the Junior Holstein Club, and FFA. She plans to attend Delaware Valley University to study Animal Science.

The First Citizens Agricultural Scholarship has been awarded annually since 2012 to a senior high school student who plans to continue their education in an agricultural-related field. Kosa and Kingsley were chosen for their dedication to Agriculture and their commitment to their communities. They've participated and organized many community service events while supporting their family farms.
