

## Advanced Authentication Procedures

Once you have received your username and password, you will need to complete the enrollment process by clicking on the e-Statement Log-In link on the homepage at [www.myfccb.com](http://www.myfccb.com).

This directs you to the following page to enter the username and password you received from FCCB.

### E-Statements

Username

Password

*Please enter your username and password to begin.*

**Not an E-Statement User?** [Click here to Enroll](#)

Enter the username you received via US Postal Mail and the password you received via e-mail and click "Login"

You will be presented with the following message: Click "Enroll". Once you fill in the 2 enrollment screens and click the "Next" buttons, review your information and click "Confirm". Remember these answers, you will need them to log on.

FIRST CITIZENS COMMUNITY BANK Multi-Factor Authentication Enrollment

**You are not enrolled in Multi-Factor Authentication.**

We have upgraded our authentication system in order to provide you with a more secure online experience. The new system requires you to create and respond to stronger challenges in order to use this application. You must enroll in the new authentication system before you can login. Please contact us if you have any questions about the changes we've implemented.

**Step 2 - Create Your Security Phrase & Questions**

Security phrase:

Question 1:

Answer 1:

Question 2:

Answer 2:

Question 3:

Answer 3:

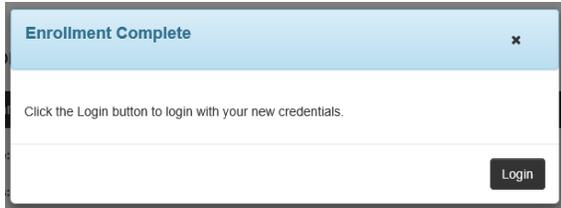

You pick the questions and answers, so have some fun, but remember, the answers are case sensitive. Remember EXACTLY how you typed them!

Your security phrase must be at least 20 characters long and cannot include the special characters \*&-+=@!

Step 3 - Review & Confirm Your Enrollment

[← Previous](#) [Confirm](#)

Once you click the “Confirm” button, this popup will appear.

Once you review your answers, click the “Confirm”, then the “Login” buttons to continue.

Clicking the “Login” button will bring you back to the Logon screen where you will enter your Username and Password and will be asked to answer one of the security questions you created.
