We Put the Unity in Community

President's Message

We are so proud to announce that for the 15th consecutive year, FCCB has been recognized by *American Banker* as one of the top performing community banks, ranking first in the state of Pennsylvania where we are headquartered, and 55th in the nation. For over 150 years, we've built our reputation on being there for our customers and our communities, in good times and in bad. That has created tremendous customer loyalty which in turn provides the financial stability to expand into new markets, offer an extensive line of services for consumers and businesses, and implement the technology necessary to remain efficient and relevant. To be continuously ranked as a top-performing community bank is a testament to our values, to our ability to execute on a well-defined strategic plan, and to the incredibly hard work of our team.

Thank you for choosing FCCB!

Randy

We are very excited to announce that we're opening a brand-new full-service branch at 3840 Kennett Pike Drive in the town of Greenville, DE, which we plan to open in late September of this year. With the addition of this office, our branch locations will have expanded to 33, three of which are located in New Castle County, Delaware. We are excited for the opportunity to expand the FCCB community banking brand deeper into the Delaware region. Our specialty product offerings will include agricultural lending, commercial lending, cash management, and retail products and services all local businesses and residents.

We Put the Unity in Community

Carl Hackman, Jeffrey Rae, and Mariel Torres-Lopez had a great time attending the 39th annual Hispanic Festival in Downtown Lancaster. The festival includes food, music, and activities from different Hispanic countries such as Mexico, Puerto Rico, Dominican Republic, Columbia, and Ecuador. Funds raised from the Festival are used for operation costs and community programs that help children and families in the community.

Congratulations to Alecia Kelsey from our Fredericksburg branch, the recipient of the Office of the Secretary of Defense Employer Support of the Guard and Reserve Award – the highest recognition given by the U.S. Government to employers for their outstanding support of employees serving in the Guard and Reserve!

Members of the FCCB South Central Team partnered with the United Way, where they packed 150 Bookbags with supplies for Schuylkill County Stuff A Bus in honor of our 150th anniversary.

Congratulations, Randy Black

Providing Financial Literacy Resources to Local Students and Community Members

As part of our ongoing commitment to building better communities we recently announced the introduction of FCCB Academy. This new online Financial Literacy program is part of our partnership with Banzai, a provider of an award-winning online content library, which allows users to practice real-world finance from the safety of their home or classroom using any internet-enabled device. Students and residents of the community have free, 24-7 access.

Through online courses, students try out managing a budget, saving for a goal, and dealing with unexpected financial pitfalls. To date, FCCB is reaching over 1,000 students across nine counties in Pennsylvania, including: Bradford, Chester, Clinton, Lancaster, Lebanon, Potter, Schuylkill, Tioga and Union.

For the not so young in years, but young at heart, visit myFCCB.com and click the FCCB Academy Button. Here, users have access to many resources, including articles, calculators, and personalized “Coach” sessions. These explain everything from the basics of filing your taxes to how health insurance works. There is information about buying your first home, saving for retirement, budgeting and so much more.
