Watson Joins First Citizens Canton Area Local Board

MANSFIELD, PA (November 2017) First Citizens Community Bank recently welcomed Frank Watson to their Canton Area Local Board. Local board members act as a communication channel for the bank – providing them with information on community needs while delivering the banks message back to businesses and residents.

Watson’s business and community volunteer experience make him a good fit for this role. He’s been a business owner in the area since 1987 when he opened Watson Diesel. Twenty-years later, Watson started the WD Hot Block Company with his invention of a vehicular water discharge valve heater. This heater prevents water from freezing and shutting down the valve on water haulers and septic tanks. He is a long-time member of the Canton Lions Club, Masonic Lodge, and the Borough Water and Sewer Authority. Additionally, he is a board member of the Bradford County Airport Authority.

Watson joins Canton local board members Phil Rockwell (Owner, H. Rockwell & Son, Inc.), Jackie Bristol (Operations Manager, RSJ Technologies), and Misti Machmer (Branch Manager, FCCB Canton).

First Citizens Community Bank is headquartered in Mansfield, Pennsylvania. They currently operate 28 offices throughout Tioga, Bradford, Potter, Clinton, Union, Lebanon, Lancaster, Schuylkill and Berks counties in Pennsylvania and Allegany County New York. For more information about First Citizens, visit www.firstcitizensbank.com, or find them on Facebook.
