First Citizens Welcomes Jami Tomczuk as Cash Management Sales Manager

MANSFIELD, PA (December 2017) First Citizens Community Bank recently announced the addition of Jami Tomczuk as Sales Manager of their Cash Management division. Tomczuk's addition will bolster the bank's delivery of cash management solutions throughout all of their markets. In addition to leading the division, she will also deliver cash management services directly to business customers in the State College market once First Citizens completes their acquisition of the State College office of S&T Bank.

"I look forward to working closely with Jami in the State College market," commented Dave Richards, First Citizens new Central Market Executive. "Jami's experience in building cash management strategies and training initiatives will take First Citizens to the next level, impacting customer satisfaction and retention while influencing deposit growth and revenue."

Tomczuk has over nine years' experience in cash management services from her time with Graystone, Susquehanna, BB&T and Old Dominion National Banks. "We all know cash flow is crucial to the success of any business," stated Randall E. Black, CEO and President of First Citizens. "Onboarding Jami will reinforce the already strong relationships we have with our existing business customers."

Tomczuk has served on committees for numerous non-profit agencies in the State College market including PAWS of Centre County and the Mount Nittany Medical Center.

First Citizens Community Bank is headquartered in Mansfield, Pennsylvania. They currently operate 28 offices throughout Tioga, Bradford, Potter, Clinton, Union, Lebanon, Lancaster, Centre, Schuylkill and Berks counties in Pennsylvania and Allegany County New York.
