First Citizens Welcomes New Mortgage Lender Jessie Schwalm

MANSFIELD, PA (March 2018) First Citizens Community Bank continues to strengthen their presence in their South-Central Pennsylvania region with the addition of Jessie Schwalm, an experienced Mortgage Originator.

Schwalm will personally oversee the mortgage loan process from origination to closing in the bank's Schuylkill, Berks, Lebanon and Lancaster markets. She has been helping families realize their dream of becoming homeowners for more than 10 years, which can be challenging in an always-changing market.

Schwalm sees her role as more than just processing and approving mortgage loans. "Since buying a home is one of the largest financial decisions someone will make, education is key," commented Schwalm. "At the end of the day, you need to feel good about the decision you've made. To me, that's the most important element of our partnership."

"We want our customers to enter the mortgage market with confidence," commented Doug Byers, South Central Market Executive. "Jessie's detail-oriented personality and considerate dedication to the customer are enough to help anyone buy with assurance."

Schwalm has also built an effective working relationship with local realtors in the Lebanon market, who have come to rely on her for quick turnaround time and taking good care of their clients.

She is attending Harrisburg Area Community College studying for a degree in Business Studies. Schwalm also attended Central Pennsylvania College where she graduated as a Paralegal.

First Citizens Community Bank is headquartered in Mansfield, Pennsylvania.
