First Citizens Announces Peter Jones as Mortgage Originator

MANSFIELD, PA (June 2017) First Citizens Community Bank continues to strengthen their presence in the south central region of Pennsylvania with the addition of Peter Jones, a seasoned mortgage originator serving Harrisburg and the surrounding markets.

Jones will personally oversee the mortgage loan process for customers in the bank's Lebanon, Lancaster and Schuylkill County markets. Prior to joining First Citizens, Jones spent over 20 years helping customers become homeowners in the Harrisburg, Camp Hill and Hershey areas. In his most recent position with Citizens Bank Mortgage, he was amongst their top 5% in mortgage lending, and has experienced similar performance success at other lending institutions since beginning his career in 1995.

"Being a top performer seems to be a pattern for Peter which not only benefits First Citizens, but gives customers the confidence they need for a successful homebuying process," commented Randall E. Black, CEO and President. "He has strong relationships with realtors and builders in his markets because they trust he will take care of their customers which keeps them coming back."

Jones, who earned his BS in Accounting, Banking and Finance from York College of PA, applies his service philosophy to his community as well as his mortgage customers. He currently serves as Treasurer of the Allison Hill Community Ministries where he is also Secretary and Fundraiser for the Allison Hill Fund. He is a member of the Knights of Columbus and is a previous West Shore Sertoman of the Year and Affiliate of the Year for the Greater Harrisburg Association of Realtors.

The First Citizens Community Bank headquarters is located in Mansfield, Pennsylvania. They currently operate 26 offices throughout Pennsylvania and New York, serving Allegany, Tioga, Bradford, Potter, Clinton, Berks, Lebanon and Lancaster counties.
