Richmond Havens Appointed to First Citizens Local Board in Bradford County

MANSFIELD, PA (May 2017) First Citizens Community Bank has announced the addition of Richmond Havens to their local board supporting the Troy, Gillet and Stateline markets. Local board members are strategically chosen to help the Bank understand the consumer, business and community development needs of the market. As liaison between the bank and members of the community, local board members are also the voice of First Citizens, supporting their brand and providing information on the bank's products, services and successes.

Havens, a Troy local, worked as an employee of Havens Well Drilling, LLC for 12 years before becoming a partner in 2013. As a Water Treatment Specialist and Water Pump Specialist, Havens diagnoses water system complications in residential, agricultural and commercial capacities. He is also a rig operator for the company and ensures quality service for every customer.

A member of the PGWA (Pennsylvania Ground Water Association) and the NGWA (National Ground Water Association), Havens also volunteers as a board member of the Troy Lions Club.

He joins existing local board members Rick Hoover (Owner, Hoover Hardware), John Huntington (Owner, John Huntington Motors), Gregory Jones (Owner, Gregory S. Jones Contracting), and Betsy Seeley (Teacher, Troy Area School District).

The First Citizens Community Bank headquarters is located in Mansfield, Pennsylvania. They currently operate 26 offices throughout Pennsylvania and New York, serving Allegany, Tioga, Bradford, Potter, Berks, Lebanon and Lancaster counties. For more information about First Citizens, visit www.firstcitizensbank.com, or find them on Facebook.
